PORTFOLIO & WORK EXPERIENCE

The Listening Circle — Video Content Creator

- Produced a series of short-form video reels covering social topics including mental health, community events (Rajkot 2.0 & 3.0, Bangalore), and promotional ads — handling end-to-end content shooting, editing, and storytelling.

Your Reading Circle (YRC) — Video Content Creator

- Created engaging video content for a reading community, including a 'What If' concept reel, a Village Library documentary-style video, and multiple short-format reels to grow audience engagement on social media platforms.

TOPS Technologies — Video Content Creator

- Produced promotional videos for TOPS Technologies, showcasing its digital marketing and AI-powered training programs to attract prospective students.
